PROFILE

With my decent foundation in design principles, materials, and user-centered approaches, I have the ability to transform complex ideas into workable solutions, blending aesthetics with practicality. I look forward to applying my skills at work and working well with teams and colleagues.

EXPERIENCE

Book Layout & Cover Design for "Dream Builder"

Layout and cover design for the architecture portfolio "Dream Builder" by Yongzhong Lei, published by Sichuan University Press in 2023. Awarded the Most Beautiful Book Award.

Voiceover for "U-Comfort Rattan Chair Design"

Provided voiceover for this project in 2024. Awarded the Italy A'Design Bronze Design Award

Design for Signage in Xia Si Ancient Town

Creative signage for Xia Si Ancient Town, China, focusing on graphic and layout design.
